

# UNIT 2 THEMES NOTEBOOK

## Preparation

- Make sure you have the Unit 2 Themes Notebook worksheet that you partially filled out earlier in the unit.

## Purpose

This is a continuation of the Themes Notebook activity that you started earlier in this unit. As part of WHP AP, you are asked to revisit the AP themes in order to maintain a connection to the core themes of the course. Because this is the second time you're working with the themes questions, you're asked to explain how your understanding of the unit's themes has changed since you began the unit. Make sure you use evidence from this unit and sound reasoning in your answers.

## Process

Fill out the second table on your partially completed worksheet from earlier in Unit 2. Be prepared to talk about your ideas with your class.
