

UNIT 1 PROBLEM NOTEBOOK

Preparation

- Make sure you have the UP Notebook worksheet that you partially filled out in Lesson 1.0.

Purpose

This is a continuation of the UP Notebook activity that you started in Lesson 1.0. As part of WHP, you are asked to revisit the Unit Problems in order to maintain a connection to the core themes of the course. Because this is the second time you're working with the Unit 1 Problems, you are asked to explain how your understanding of the unit's core concepts has changed over the unit. Make sure you use evidence from this unit and sound reasoning in your answers.

Process

Fill out the second table on the UP Notebook – Unit 1 Problem Worksheet. Be prepared to talk about your ideas with your class.
