

VOCAB – WORD WALL

Preparation

- Download the Unit 3 Vocab Guide

Purpose

Understanding vocabulary is integral to you being able to access course content, and it helps reading comprehension, too. This word wall activity should help you begin to learn some of the key vocabulary from Unit 3.

Process

In this activity, you'll work with your class to create a word wall using the Unit 3 vocabulary.

Your teacher will assign a vocab card to each of you. Once you get yours, take a few minutes to look it up in the Unit 3 Vocab Guide and then examine the unit itself (click around and quickly skim the content) to see where in the unit your word might be most applicable. Then, add as many synonyms to your card for your word as possible. Your teacher will give you a limited amount of time to write synonyms. Then, the people with the most correct synonyms at the end of that time will put their words on the word wall first.

Your teacher may add some fun twists to this assignment, so be sure to listen closely for directions!
